Sir,

Subject: Request for grant of F.S.No.159 of Sunksal held
on Agri-silvi basis.

In submitting herewith the papers of the case (pages 1 to 184)
I have to state as under:-

1. In this case an area of 6-38-0 acres comprising of F.S.No. 159 of Sunksal was held by one Sri Mohammad Saliya Abdulkhadar of Ankola on Agrisilvi basis from the Forest Department. He was granted the land ~~xxx~~ in the year 1960. But the lease was cancelled by the Forest Department for failure of the lessee to fulfil the lease conditions underlying the grant on Agrisilvi-basis. His request for grant of the area was also not considered by the Bombay Government Vide Copy of Bombay Government letter No. AFD-39-DAR-57 dated 16-3-1957 at page 57. The applicant has again approached this office for granting the area to him as he has no other landed property to fall back upon and that he has spent a large amount towards the development of the area and has suffered a great loss by the destruction of his plough bullocks by tigers..

2. From the copy of V.F.VII-XII at page 131, it is seen that the lessee has raised paddy crop in the area from 1952-53 onwards upto 1957-58. Further enquiry reveals that he has spent an amount of Rs.1,000/- to bring ~~xxx~~ an area of 5 acres fit for paddy cultivation. Besides he has suffered a great loss on account of the killing of his 7 bullocks by tigers. Since he has no other means to maintain his family consisting of 5 members and since he has spent a lot of amount to bring the area under cultivation and has suffered a great loss of 7 bullocks by the destruction of tigers it does not seem proper to refuse his request, simply on the ground that the applicant's request was once refused by Government for failure to fulfil the lease conditions. F.S.No. (178) shown in the sketch at page 175 is also forest land. One Shri Mahamad Isuf Shaikh Mahammad by the Forest Department for growing food & crops on Mangani lease. This S.No. has subsequently been disforested in favour of the said lessee and the papers of the case have been submitted to Government with draft notifications for publication under this office No. LND-II-SR-II-1 dated 11-7-1960. This S.No.158 is within an easy reach of 30 feet. F.S.No.159 in the present case. Since it adjoins cultivated area, it is available for release as per orders contained in para 7 of the G.O.No.AFD -6-MRP-58 dated 19-5-1958.

3. In a similar case of Shri S.V.Mahale of Yellapur who was holding F.S.No.52 of Yellapur on agri-silvi Scheme, the Conservator of Forests, B.C.Belgaum has recommended the area for being disforested in his favour ~~xxx~~ for cultivation on the ground that it adjoins cultivated area. A copy of the endorsement of the Conservator of Forests in that case is enclosed for perusal.

4. Taking all these factors into consideration and the poor circumstances of the applicant, I find it to be a genuine case and strongly recommend the request of the applicant for the grant

(P.O.)

6

of the area to him. Government may therefore, kindly be moved to reconsider the case and accord sanction for the disforestation of the area in favour of the applicant who was holding the same since, 1950. There is no local objection to the grant of the area to the applicant. The grazing position is adequate.

Yours faithfully,

G. De Vaulx

2. In the circumstances stated by the
Conservator of Forests, Belgaum Circle, Belgaum the

Sir,

Subject:-Request for grant of F.Sy.No.159 of
Sunksal held on Agri-silvi system.

Ref:-Your No.RB/FOR/SR/829 of 22-10-1960
(page 191). f.5

In returning herewith the correspondence, pages 1 to 233, I have to state that out of 6 acres 38 gunthas granted on agri-silvi in the year 1950, an area of 1 acre 38 gunthas is rich in tree growth and hence it can not be recommended and the remaining area of 5 acres which is blank is recommended for release to the applicant offender, as the grantee is cultivating it since 1950 onwards.

The applicant was prosecuted in the court of law for not evicting the land. The case was heard in the court and he has been convicted and fined Rs.10/- and Rs.25/- on 20-1-1960.

Yours faithfully,

D. Rangundappa

Submitted to the Conservator of Forests, Belgaum Circle, Belgaum, with reference to his No. FOP/DFR/4228/226 /60-61 dated 15-11-1961.

2. The area of 6 acres and 38 gunthas in question was leased out temporarily on specific condition of growing trees of forest species with a view to get the area reboised without cost to Government and there was no intention to ultimately disforest the area in favour of cultivation. Since the applicant failed to act according to the terms and conditions of the lease, the lease was cancelled. His action of cultivating the area even after cancellation of the lease is a deliberate unauthorised use of forest land for which ~~offence~~ was booked against him.

3. In view of this, and since the grant of the area which is surrounded by teak plantation will create a pocket in the organised forest, the request of the applicant which was rejected by higher authorities in the past cannot be recommended. ~~reconsidered.~~
